Infinitum Golf Resort

Experience the pinnacle of golf at Infinitum Golf Club, a world-class destination designed by renowned golf architect Greg Norman. Amidst stunning Mediterranean landscapes, this prestigious club offers three exceptional courses: Infinitum Lakes, a technical masterpiece with strategic water hazards. Infinitum offers a golfing experience like no other, combining breathtaking scenery, challenging layouts, and impeccable service.

The Hills Course

Featuring its very own 'Amen Corner', many of the holes are surrounded by water and strategically positioned trees, with the course design demonstrating a true risk and reward finish. Spectacular views of the Mediterranean, the Muntanyes de Prades Massif, and the Llaberia Natural Reserve, complete this exceptional golf experience.

The Lakes Course

Set amongst the natural landscape, intertwined with the regions interconnecting lake system and plantations, the Lakes provides its own unique experience for golfers. Its 18 holes meander around the Sequia Major — a collection of 14 lakes and wetlands that represent one of the most important ecosystems in the region.
